B.Ed.(D.M) Programme Recognition of NCTE SRC –

F.SRC/NCTE/APS00056/B.Ed.(D.M)/AP/2018/90107 dated 18-09-2018]

General Regulations

1. Preamble:

The Bachelor of Education programme, generally known as B.Ed., is a professional programme that prepares teachers for upper primary (classes VI-VIII) and secondary (classes IX-X) levels.

The Bachelor of Education Programme (B.Ed) in ODL mode, is a professional programme for in-service teachers, a second degree in teacher education, primarily intended for upgrading the professional competence of working teachers in the primary, upper primary, secondary schools and senior secondary level who have entered the profession without formal secondary teacher training. It aims at preparing in-service teachers for the secondary stage of education, in accordance with the notifications of the NCTE with regard to minimum qualifications for recruitment as a teacher. The programme shall use blended learning modality for design, development and delivery of the programme.

2. Objectives of B.Ed (D.M) Programme:

- To understand and follow the implications of Philosophical and Sociological origins of educational theories and practise.
- To develop competence and commitment to teach students with individual differences by understanding the developmental issues.
- To make teacher understand human behaviour and practice of the psychological principles in teaching, learning and evaluation.
- To expose the teachers to indigenous and modern technology applied in education and empower them to utilize ICT in their career.
- To prepare teachers to understand the pedagogy and its application.
- To create awareness to global changes and local realities and to act aptly.
- To orient teachers in understanding the self and to equip with skills of evaluation.
- To equip teachers with knowledge and skills of class-room management, leadership, action research and art education.
- To sensitize teachers with the issues related to gender, school, society and inclusive education.
- To prepare teachers with effective communicative skills, professional values and ethics.
- To sensitize the teachers with social responsibility by undertaking projects.

3. Territorial Jurisdiction:

The University offering teacher education programme through ODL will have territorial jurisdiction as defined in its Act.

The Study Centres of the University shall also be located in its territorial jurisdiction.

4. Duration:

The duration of the programme will be of two academic years. However, students shall be permitted to complete the programme within a maximum period of **five years** from the date of admission into the Programme. The commencement and completion of the programme shall be so regulated that two long spells of vacation (summer/winter/staggered) are available to the learners for guided/ supervised instruction and face-to-face contact sessions. The programme can also be sandwiched between two summer vacations for face-to-face interaction (besides learners' self-study at their choice and pace). If a Candidate fails to complete the programme within 5 years from the date of admission, she has to seek fresh admission as per the regulations existing on those years by paying full fee of the programme.

5. Intake, Eligibility, Admission Procedure & Fees:

- **Intake:**

The intake capacity for B.Ed (D.M) Program is **500 women teachers as per NCTE Revised Norms of 2014 eligibility criteria.**

- **Eligibility:**

The following categories are eligible for B.Ed(DM) Programme:

1. Trained in-service women teachers in Elementary Education with a minimum of 50% of marks in UG or in PG Degree
2. Women candidates having completed a NCTE recognized Teacher Education programme through face – to – face mode with a minimum of 50% of marks in UG or in PG Degree
3. However, the candidates belonging to all other reserved categories i.e S.C.,S.T.,B.C.(A/B/C/D/E), and Physically handicapped should have secured a minimum of 40% marks in the qualifying examination.

Note:

1. As per the GOMS NO:92, the candidates who passed B.B..S/ B.D.S/ B.A.M.S/B.L/ L.L.B/B.A(Languages)/B.O.L etc. and other such professional courses are not eligible for admission into B.Ed course.
2. Teachers called for interview should submit their '**Service Registers**' and '**Service Certificates**' and '**No Objection Certificate**' countersigned by the competent authorities/authorities concerned, at the time of admission.

- **Admission Procedure:**

DDE shall follow the admission procedure laid down by the University by following the rule of reservation as per the University regulations.

6. Fee Structure:

Rs.30,000/-(Rupees thirty thousand only) is the total fee for 2 years towards tuition fee/special fee, study material etc. and Rs.400/- user charges.

First Year Fee Rs.20,000/- (Rupees twenty thousand only) and Rs.200/-(user charges) to be paid at the time of admission.

Second Year Fee Rs.10,000/- (Rupees ten thousand only) and Rs.200/-(user charges) to be paid within 15 days from the last day of University Theory Examination of First Year Program.

Note: Fee once paid will not be refunded either in full or in part for any reason(s).

7. Medium of Instruction & Examinations:

Medium of Instruction and Examinations shall be English and Telugu only.

8. Combinations of Methodology Subjects:

Candidates can select only one of the following combinations as per their subjects of study in Graduation or Post Graduation:

1. Mathematics and Physical Sciences
2. Mathematics and English
3. Mathematics and Telugu
4. Physical Sciences and English
5. Physical Sciences and Telugu
6. Biological Sciences and English
7. Biological Sciences and Telugu
8. Social Studies and English
9. Social Studies and Telugu

Note: No Candidate is permitted to take two languages as combination of methods.

9. Curriculum:

Practical Activities related to different papers

First Year

List of Practical Activities related to theory paper

Paper B.Ed(DM)1.1: Philosophical Foundations of Education

Note: Take up any **FOUR** Activities/Projects.

4x10=40 Marks

Philosophical Foundations of Education Activities/Projects	Venue
1. Critically review a selected book written by Contemporary Educationist in India.	College/School /Society
2. Thoughts and reflections of Western Philosophical schools and its relevance to the present day Indian Education – A Report.	”
3. Identify the different roles played by an ideal teacher in the classroom, school and community and report.	”
4. List out the values which make an individual a righteous human being.	”
5. Visit nearby schools under different managements and describe the functioning of the schools.	Society

Paper B.Ed(DM)1.2: Perspectives in Child Development

Note: Take up **FOUR** Activities/Projects

4x10=40 Marks

Perspectives in Child Development Activities	Venue
1. Visit a balwadi centre/NGO centers for orphans/ street children homes and prepare a detailed report on the care taken by these centers	Society
2. Description of cases – 1. A Child with any type of disability and 2. A child from disadvantaged section of the society	College/School
3. Describe the salient features of Child Rights Act 2005	”
4. Interact with five adolescents and collect information about their attitudes, interests, aspirations in respect of their educational and occupational choices	”

Paper B.Ed(DM)1.3: ICT for Enriching Teaching and Learning

Note: Take up **FOUR** Activities/Projects

4x10=40 Marks

List of suggested activities	Venue
1. Use various visual aids in the classroom and report their effectiveness on learning of the students	College/School
2. Prepare Self Instructional Material on any one topic and analyse its effectiveness for individualized learning	College/School
3. Observe and analyse classroom Interaction and report the dynamics of classroom	”
4. Prepare a computer assisted lesson of your choice from school curriculum	College/School

Paper B.Ed(DM)1.4: Learning Assessment

Note: Take up any **FOUR** Activities by choosing any **FOUR** activities.

2x10=20 Marks

PART B: Learning and Assessment	Avenue
1. Plan and construct an achievement test in one of the methodology subjects	College
2. Survey the assessment practices followed in different schools – ZillaParishad/ Government, Private and a Residential and prepare a report	Society
3. Prepare a report by undertaking question paper analysis of two school subjects (Public Examinations of Previous Years)	College/School
4. Administer an intelligence test on students of any class and interpret the results	College/School Society
5. Conduct a survey to find out occupational choices of 9 th Class students and prepare a report	College/School Society

Paper B.Ed(DM)1.5: Pedagogy of School Subject – I Mathematics/Social Sciences / Biological Sciences.

NOTE: Take up any **4 Activities** by choosing a minimum of **TWO** activities in each part

4x10=40 Marks

<p>Mathematics – PART- A</p> <ol style="list-style-type: none"> 1. Create different activities to realize concept attainment by children in any unit from Mathematics Text books of 6-10 classes 2. Each student has to collect and present history and contributions of one Indian or Western mathematician 3. Preparation of T.L.M. for any one topic from classes 6-10 mathematics 4. Preparation of power point presentation (PPP) for any one topic from a different branch of mathematics 5. Identifying suitable methods/approaches of teaching different topics from mathematics text of any one class (Inductive/ Deductive/ Analytic/ Synthetic/ Laboratory/ Heuristic/ Project methods and Activity based learning) 	<p>College/School</p> <p>”</p> <p>”</p> <p>”</p> <p>”</p>
<p>Mathematics – PART –B</p> <ol style="list-style-type: none"> 6. During Internship, conduct of Essay writing/ quiz competitions in mathematics and report 7. One case study of gifted child and slow learner with interventions suggested. 8. Preparation of Mathematical Puzzles, Games, riddles and other recreational activities. 9. Preparing two types of assessment tests – Formative, Summative type of tests. 10. Preparing Diagnostic test in Algebra, Arithmetic and Geometry from VIII to X class mathematic syllabus. 	<p>School/Society</p> <p>School/Society</p> <p>College/School Society</p> <p>School/College</p> <p>”</p>
<p>Social Sciences : PART-A</p> <ol style="list-style-type: none"> 1. Identify values depicted in the lessons of social sciences of any one class and prepare a report 2. Select and plan appropriate strategies for teaching a lesson of social science of your choice and submit 3. Identify any village/ward/colony and make social survey and find out the literacy rate, adult education programmes, electricity, toilets, sanitary and water facilities, maintenance of 	<p>College/School</p> <p>”</p> <p>Society</p> <p>”</p>

roads, etc and submit village/ward description report	
4. Organize a programme in the school in connection with celebration of national festivals, birthdays of social scientists/National leaders, etc.	College/School
Social Sciences: PART-B	
5. Observe a day's proceedings in house of assembly or parliament and report	College/School Society
6. Collect Newspaper clippings on any social issue and write a report on the issue with your comments	Society
7. Organize any one of the social awareness programme on Swatch Bharath/ Water and Plant/ Aids Awareness/ Vanamahotsavam, etc in a village/ward and report.	Society
8. Observe the functioning of any local body office and report	College/School/ Society
9. Critically analyse the characteristics of Social Science text book of any class and prepare a detailed report	"
Biological Sciences – PART-A	
1. Visit any zoological park/Botanical Garden/ Agro based industry/ Food Park/ institution of scientific interest or Science and Technological Museum in your vicinity and report.	Society
2. Identify and write the objectives and specifications under the three domains on any topic of your choice	College/school
3. Sketch the life history and write his/her contributions of any one Biologist	"
4. Name any common branch of both Botany and Zoology and explain how you integrate the pedagogy in dealing with the content.	"
5. Organize an event on Earth Day/ Environment Day/ Population Day, etc. in the school during the internship and report.	School/Society
Biological Sciences – PART-B	
6. Make a survey on the problems of environmental pollution in your locality and record the observations and submit a report	Society
7. Select any topic of your choice and prepare a lesson plan on the lines suggested in constructivist approach.	College/school
8. Prepare laboratory instructional cards for any two experiments of your choice.	College/School/ Society
9. Prepare a herbarium based on a certain theme.	"

10. Analyze recent public examination X class Biological Science question paper and compare with the pre-final question paper and record your observations.	”
---	---

Paper B.Ed(DM)1.6: Physical Sciences/ English/ Telugu

NOTE: Take up any **4 Activities** by choosing a minimum of **TWO** activities in each part.

4x10=40 Marks

List of suggested activities	Venue
Physical Sciences-PART-A	
1. Identify the most abstract concepts (difficult topics) from any class physical science textbook suggest ways and means to make it easy to understand and concrete.	College/School
2. Identify Concrete and Abstract Concepts in Physics and Chemistry of any class and suggest the appropriate Teaching methods and approaches to teach them and report	”
3. Prepare an assignment on any physical sciences and its application and implications with other branches of knowledge	”
4. Prepare biographical sketch of and scientist and his/her contributions to Physics/Chemistry	”
5. List out different content aspects of a unit in Physics/ Chemistry and write down the objectives and specifications under Cognitive Domain associated with them	”
Physical Sciences-PART-B	
6. Prepare different steps involved for demonstration of an experiment one each in Physics and Chemistry	College/School
7. Prepare two improvised apparatus / teachings gadgets with locally available material resources for Physics and Chemistry and submit	College/School
8. Visit a Science Centre or Science-Museum (District/ State/ National) and prepare a report	Society
9. Participate in a District / State Level Science Fair and prepare a report on the exhibits and activities presented	”
10. Celebrate National Science Day/Earth Day/ Water Day/ any important day related to science in the school during the internship and submit a report	”
English PART-A	
1. Prepare a report on Language policies given in the reports of Kothari Commission, NPE 1986 and POA 1992.	College/School

2. Prepare a detailed report on how, when and why you are going to use various methods, approaches and techniques in teaching the English language skills.	”
3. Enumerate ten activities (5 for listening and 5 for speaking) from the text books of Classes VI to X. Suggest your own activities using supplementary materials.	”

PART-B (1×10 Marks)

Note: Answer the following question by following internal choice.

This question carries 10 marks.

The candidate is expected to answer the question in about four pages or in 80 lines.

6.(a)-----

Or

(b)-----

15. Passing Minimum:

The passing minimum for each theory paper is 35 percent in the external examinations (i.e 28 marks out of 80 marks) and an aggregate of 40 percent including internal and external assessments in each theory paper. The passing minimum in practicum is 50 percent.

16. Reappearing Facility:

A candidate who fails in one paper/course may be allowed to appear in the particular paper either in theory or in practicum **within a maximum duration of five years.**

17. Transitory Provisions:

If the curriculum/regulations are changed, any candidate who fails to take examinations within the maximum duration of 5 years shall have to take examinations according to the changed Curriculum/Regulations after 5 years.

18. Improvement of Marks:

Candidate who desires to improve their performance in theory, they have to appear for all the theory papers. By any reason the improvement in marks is less than the previous one, as per the existing norms of the University, previous performance shall be retained.

19. Award of Degree:

University will award Degree in B.Ed (D.M) Programme after successful completion of the academic requirements of the programme.
