

# **SRI PADMAVATI MAHILA VISVA VIDYALAYAM** **(Women's University) - Tirupati** **SCHOOL OF ENGINEERING AND TECHNOLOGY**

On 12<sup>th</sup> and 13<sup>th</sup> March a colorful and memorable technocrat fest **VIRINCHI – 2020** was organized. It was inaugurated at **INDIRA PRIYADRSHINI AUDITORIUM, SPMVV** on 12<sup>th</sup> March by our beloved Vice chancellor madam, **Prof. D.JAMUNA** and **IICER** director **Prof. K.N.GANESH**. 24 technical events and 14 non technical events have been conducted in **SCHOOL OF ENGINEERING AND TECHNOLOGY** premises and more than 500 students have been registered for participation. The Convener for this technocrat fest is **Mrs. P. Srivyshnavi**, Assistant Professor (Senior), Dept. of CSE and Co-convener is **Mrs. P. Parvathee Devi**, Assistant Professor, Dept. of EEE.

The technical events that are conducted by various departments of engineering are:

## **Department of CSE:**

1. **VISTARA:** Vistara is all about to express the views regarding a particular topic by some research. You have to put all your views and thoughts regarding to your topic on to a piece of paper designed and you need to present that using your communication skills.
2. **HUMBLE BRAG:** Humble Brag is a website design event. In this event one should design a website based on constant time limit and given tools
3. **SLIDE BEAN:** Slide Bean is the one to enhance your presentation. We welcome all the students to participate and enlighten your presentation and communication skills and to utilize this opportunity.
4. **CODE CHARADES:** Code Charades is a game of pantomimes: you have to “act out” a code without speaking, while the other members of your team try to guess what the code is.
5. **GEEK NATION:** Geek Nation is a game or mind sport. In which the players attempts to answer the questions correctly. It is a game to test your knowledge, abilities and skills.
6. **CODE WARRIER:** Code Warriors will test your code analysing skill. You will be given a code which is not in a proper order, the lines of code will be jumbled. You need to arrange the code in a proper order which should execute and produce the desired output.

## **Department of ECE:**

1. **CREATIVE CANVAS:** Creative Canvas is all about to express the views regarding a particular topic by some research. You have to put all your views and thoughts regarding to your topic on to a piece of paper designed and you need to present that using your communication skills.
2. **MIND CRASH:** Mind Crash is a cross puzzle game which contains technical words as hidden words is the one to enhance your presentation.

3. TECHNO STROM: is the one to enhance your presentation. We welcome all the students to participate and enlighten your presentation and communication skills and to utilize this opportunity.
4. DIGITRIX: In Digitrix there will be 2 rounds. In first round the participants are given some pictures of various components. They have to identify the name of the component. Well identified participants will move to next round. In second round they will be given a circuit and they have to build the same circuit.
5. DICE BATTLE: First we need to roll a dice ,based on the numbers on the dice you need to pick a chit from respective numbered bowl & these chits contains some technical questions which should be answered to move forward.
6. MODEL FIESTA: Model Fiesta(Project Expo)is a technical event in which the participants should prepare their project at home and they have to bring the project to demonstrate before the judges.

### **Department of EEE:**

1. ELECTRO AFFICHE: Electro Affiche is all about to express the views regarding a particular topic by some research. You have to put all your views and thoughts regarding to your topic on to a piece of paper designed and you need to present that using your communication skills.
2. BINARY LAMP: In this event we should glow the bulb based on the number given to them by converting the number into binary form.
3. SLIDE DECK: students to participate and enlighten your presentation and communication skills and to utilize this golden opportunity.
4. SMART MOVE: Smart Move is a cross puzzle game which contains technical words as hidden words is the one to enhance your presentation.
5. BRAIN ELECTRIFIER: A Brain electrifier is a game or Mind Sport. One should answer the given questions in given time. It is a game to test your knowledge, abilities and skills.
6. OHM POWER: In this event we need to place the correct resistor in the given circuit to get the given output.

### **Department of Mechanical:**

1. FLY POSTER: Flyposter is all about to express the views regarding a particular topic by some research. You have to put all your views and thoughts regarding to your topic on to a piece of paper designed and you need to present that using your communication skills
2. MACHINIST: In this event we should build working model and prototype of provided mechanical components.
3. MECH NOVA: Mechnova is the one to enhance your presentation. We welcome all the students to participate and enlighten your presentation and communication skills and to utilize this golden opportunity.
4. AUTO DRAW: Designing the part using CAD software.
5. MECH BULB: The Mech Bulb(Quiz) is a game or Mind Sport. In which the players attempts to answer the questions correctly. It is a game to test your knowledge, abilities and skills.

6. **TECH DEBATE:** In this event debate is conducted on a technical topic could test your communication skills.

### **NONTECHNICAL EVENTS:**

1. **MISS VIRINCHI 2020:** The purpose of beauty pageants is to find one's personality, their strengths and weaknesses as a person, to gain confidence and raise their self esteem and prove to people that it is possible to have beauty with brains.

2. **DANCE:** Competitive dance is a popular, widespread sport in which competitors perform dances in any of several permitted dance styles.

3. **MUSIC:** Singing is one of the most accessible forms of entertainment and a lot of people enter singing competitions.

4. **RANGOLI:** Rangoli is an Indian folk art in which artistic expression, simple or intricate patterns are drawn by hand.

5. **MEHANDI:** Mehndi is a form of body art originating in ancient India, in which decorative designs are created on a person's body, using a paste, created from the powdered dry leaves of the henna plant. Total number of Participants in this event is 10.

6. **TURN N COAT:** A Turn & Coat is a form of Debate where the Speaker literally debate against oneself. The Speaker starts by taking a stance on the topic and switches sides after a specific duration time.

7. **MEME MAKING:** For this event themes will be given for meme making, based on the theme participant should create a meme.

8. **ART YOUR THOUGHTS:** Making things colorful is your passion / hobby. Come and show your creativity in spot painting held in Virinchi 2020 and win exciting prizes. Total number of Participants in this event is 14.

9. **TALENT SHOW CASE:** For this event Themes will be given on spot, based on the themes the participant can take the pictures, best one's will be taken into count.

10. **DIGI ART:** Designing the part using CAD software. Total number of Participants in this event is 05.

11. **JUGAD:** In this Make or repair (an object) in an improvised or inventive way, making use of whatever items is at hand.

12. **TREASURE HUNT:** A treasure hunt is another name for the game, but it may involve following a series of clues to find objects or a single prize in a particular order. According to game scholar Markus Montola, scavenger hunts evolved from ancient folk games.

### List of Events

| S. No.                    | Name of the Event  | Department                | No. of Participants in Each Event | No. of Participants |
|---------------------------|--------------------|---------------------------|-----------------------------------|---------------------|
| 1.                        | Vistara            | CSE                       | 68                                | 297                 |
| 2.                        | Humble Brag        |                           | 34                                |                     |
| 3.                        | Slide Bean         |                           | 50                                |                     |
| 4.                        | Code Charades      |                           | 32                                |                     |
| 5.                        | Geek Nation        |                           | 71                                |                     |
| 6.                        | Code Warrior       |                           | 42                                |                     |
| 7.                        | Creative Canvas    | ECE                       | 43                                | 295                 |
| 8.                        | Techno Storm       |                           | 71                                |                     |
| 9.                        | Model Fiesta       |                           | 34                                |                     |
| 10.                       | Digitrix           |                           | 50                                |                     |
| 11.                       | Mind Crash         |                           | 52                                |                     |
| 12.                       | Dice Battle        |                           | 45                                |                     |
| 13.                       | Electro Affiche    | EEE                       | 28                                | 149                 |
| 14.                       | Slide Deck         |                           | 49                                |                     |
| 15.                       | Binary Lamp        |                           | 23                                |                     |
| 16.                       | Ohm Power          |                           | 20                                |                     |
| 17.                       | Brain Electrifier  |                           | 15                                |                     |
| 18.                       | Smart Move         |                           | 14                                |                     |
| 19.                       | Mechnova           | MECH                      | 27                                | 141                 |
| 20.                       | Fly Poster         |                           | 31                                |                     |
| 21.                       | Tech Debate        |                           | 17                                |                     |
| 22.                       | Mech Bulb          |                           | 33                                |                     |
| 23.                       | Machinist          |                           | 8                                 |                     |
| 24.                       | Auto Draw          |                           | 25                                |                     |
| 25.                       | Dance              | Common to All Departments | 15                                | 254                 |
| 26.                       | Music              |                           | 11                                |                     |
| 27.                       | Skit               |                           | 10                                |                     |
| 28.                       | Talent Showcase    |                           | 7                                 |                     |
| 29.                       | Meme Making        |                           | 15                                |                     |
| 30.                       | Miss Virinchi 2020 |                           | 25                                |                     |
| 31.                       | Art Your Thoughts  |                           | 14                                |                     |
| 32.                       | Turn N Coat        |                           | 38                                |                     |
| 33.                       | Jugad              |                           | 11                                |                     |
| 34.                       | Treasure Hunt      |                           | 89                                |                     |
| 35.                       | Rangoli            |                           | 8                                 |                     |
| 36.                       | Mehandi            |                           | 6                                 |                     |
| 37.                       | Digi Art           |                           | 5                                 |                     |
| Total No. of Participants |                    |                           |                                   |                     |

On the 1<sup>st</sup> day of Technocrat Fest i.e., on 12<sup>th</sup> march many technical and non-technical events were conducted. On 13<sup>th</sup> March we had a valedictory function which was graced by **Dr. JAYA BHASKAR**, principal of S.V Medical College. The winners of the events were awarded by the dignitaries and the event was ended with cultural.
