Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>As per the instructions of the State Government, the University was closed on 19th March due to the COVID-19 pandemic and students have safely reached their native places. Before closing the college, Vice-Chancellor has convened a meeting with the Deans, Director, Principal of various Schools and Heads of the Departments to review the status of syllabus completed for various courses and conducting the examinations which are scheduled in the last week of March for final year M.Sc and M.A courses. Accordingly, academics and extension activities are planned and executed by the University during Lockdown (COVID-19) and the same is reported hereunder:</p> <p>?As per the instructions of the State Government, the University has started online classes to complete the pending syllabus from 1st April onwards through the Microsoft Teams platform and also through other virtual platforms like Google Class, Skype, Zoom as well.</p> <p>?The online classes were conducted parallelly for all the courses in four schools through individual faculty credentials.</p> <p>? Though online teaching is a new experience for the majority, the response from faculty and students was very encouraging and has actively participated throughout. The average student participation ranges between 70% and 92%.</p> <p>?Measures were being taken to share the learning material in the form of recorded lectures, PPTs, and lecture notes to the students who missed their online classes due to technical problems.</p> <p>?Students in Final year PG & UG streams (other than CET courses) have already completed the syllabus before the lockdown and the examinations were scheduled in the last week of March 2020 for them. But, due to unforeseen circumstances, exams were postponed and have been rescheduled.</p> <p>?In summary, the first year 2nd semester syllabus was covered (80% to 90%) before the lockdown and the pending 10% to 15% syllabus has been completed through a virtual platform.</p> <p>?The syllabus of State-Wide Common Entrance Test (CET) courses was completed through online classes. For other CET courses, online classwork is in progress as their semester-end examinations are originally scheduled in August / September 2020.</p> <p>?For Science courses, practical work is pending and decided to complete the practical work within 10 days as and when we find the virtual e-lab practical platform.</p> <p>?The pending internal examination, assignments, and internal examinations were organized online. The student seminars are almost completed.</p> <p>?An attempt was made to collect FeedBack on Online Classes from students and faculty. Students felt that classes were found to be interesting and satisfied and expressed that their academic year is saved through online classes. Some students encountered problems with the Internet (bandwidth) and other technical issues.</p> <p>?The decision is taken to conduct project evaluation both internal and external for MCA final semester students through online</p> <p>?In case of an extension of the lockdown period for another one or two months, the SPMVV will plan to conduct semester-end examinations through a suitable online platform by June ending (awaiting to adopt an objective platform).</p>
